LIMITED RELEASE

—  
16OZ CANS

Ganada is our collaboration with SF's beloved Korean restaurant, SAN HO WON. This Korean Style Lager is brewed with jasmine rice for a super light, crisp body, and Saphir and Contessa hops that add a subtle citrusy, tea-like aroma. Named after the Korean alphabet song, Ganada is a nod to Korean drinking culture and the beauty of the simple things. Serve ice-cold the next time you're drinking with friends.
