NA KSA reimagines our light, crisp, and delightfully complex flagship beer, KSA Kölsch Style Ale, with all of the flavor and none of the alcohol. With nostalgic notes of fresh bread and orange blossom honey, traditional German malts construct a soft grain flavor, while a thoughtful mix of American bittering hops bring balance through a bright, clean finish. A true example of old world meets new, NA KSA is a San Francisco classic to be enjoyed any time.
