

# SUPER NATURAL

## ROSÉ INSPIRED DRY CIDER

Super Natural is a dry cider inspired by the flavor and carefree vibe of a crisp glass of rosé. Developed through a bit of “supernatural” alchemy, Super Natural is a blend of 100% West Coast apples accented by tart dried hibiscus and slightly sweet rosehips — delicately evoking the flavor, color, and feeling of rosé. Fruity, floral, and lightly tannic, this cider adds a touch of sophistication to even the most casual occasion.
