A Gold Medal Winner in the 2022 World Beer Cup, Yuzu KSA blends our classic kölsch-style ale with the punchy aroma and tartness of yuzu juice for an unbelievably refreshing beverage. Known as radler or shandy in different parts of the world, this blend of pale beer and citrus juice is a low-alcohol treat that's perfect for summer adventures. With vibrant aromas of tart citrus and verdant pine, Yuzu KSA is an entirely new KSA experience.
